Ride-Sharing Forums

The screenshot displays the 'The Blount Compass' website. The header is blue with the site name and a search bar. A navigation menu includes 'About', 'Academics', 'Social Life', and 'People'. The 'Academics' menu is open, showing options like 'The Blount Curriculum' and 'Thematic Cemetery'. The main content area features a large image of a brick building with an arched entrance. Below the image, there is a 'Quick Links' sidebar on the left and a search form on the right. The search form includes fields for 'Keywords' and 'Location', a 'Search Rides' button, and checkboxes for 'Offer', 'Request', 'Standing', and 'One Time'. A message states 'There are no listings matching your search.' and an 'Edit' link is provided.

What Was Not Finished

- Navigation is not finalized
- Public site is not separate from private site
- More modules to be included

What We Learned

- Communication with sponsor is crucial
- Don't reinvent the wheel
- How to use WordPress
